

Newsletter 2018

Dear friends, This year is one of many developments here, we are going to expand the number of diagnostic tests and treatments, to bring you the best of complementary medicine. We are all working hard on the new compliances, see below!!!!. There have been no fee increases for 2 years, so there are some this July and we have managed to hold medicine prices down by buying in bulk, again there have to be some increases this time round. Please keep an eye on our website which is being enhanced this month.

Best wishes Chris
